

WP-30 IP65 Wallpack

Robust outdoor LED solution

ArmadilloLED WP-30 IP65 LED Wallpack is an all weather outdoor lighting fixture, built to withstand tough environments. Working temperature from -40°C ~ $+60^{\circ}\text{C}$, features a built in aluminium heatsink, a tough vandal-proof housing and a weather proof silicon seal. Ideal for building exteriors, stairways, exterior walkways and building entrances.

A low energy alternative to traditional lamps, with zero maintenance.
